ONLINE TRAINING EFFECTIVE LEADERSHIP

New Ways to Get The Most out of Yourself, Your Employees and Your Team as a Whole!

Today's managers are expected to lead and motivate their teams with conviction. Easier said than done, because each team is unique and often consists of various people. Luckily good leaders are made, not born.

The "Effective Leadership Seminar" helps you develop skill sets that turn you into the strongest, most confident and most charismatic leader and manager you can be. Join us for the full 3-session programme or choose just 1 or 2 to attend.

Session 1: Lead & Inspire

A successful leader in today's organisations needs to do more than just "lead." He has to be a creative, inspiring leader who can motivate his team and get everyone excited about their work and the company's success. This leadership session will give you all the necessary skills, tips and techniques in use today to get your team to complete every goal in its path. Enrol in this incredibly effective training if you want to be an influential, respected leader who can lead his group towards success.

Session 2: One-on-One Coaching

Coaching employees regularly and one-on-one to become as successful as they can be is one of the key skills of any manager or leader. This 3-hour-session provides you with a step-by-step coaching approach that will improve any employee's work performance. You will learn all the essential techniques to motivate and create involvement to get everyone to contribute their best effort and achieve astonishing results.

Session 3: Employee Personality Profiles

What if you could get an insight in your employee's strengths, weaknesses and personal preferences in just a matter of minutes? Well now you can. Watching this session you will learn to fully understand and master this powerful technique. You will learn how this priceless information can make a huge impact on your every day decisions as a leader and how you can use it to communicate, delegate and motivate in such a way that you get the outmost respect from your team in return.

Why e-Learning?

Dharma Consult's e-learning brings you the latest information on a wide variety of subjects right to your home or office computer. Our high-quality online training sessions are an affordable, time-saving and fun alternative to traditional classroom training and allow you to study at the pace and place of your choice.

After you register for the training subject of your choice, you will receive an e-mail with your personal login and password. Simply follow the link and log in to start your training. You have unlimited access to the training sessions, allowing you to watch them as many times as you like.

You can pause and continue your training at any time. During and after the sessions you have the opportunity to ask questions which will be answered by our experts. All this makes your learning experience equally effective as an instructor-led class, at a fraction of the cost and from the comfort of your own home our office!
